What's the Answer to the Mileage Question?

Miller Tires

If They're On Your Car—

BECAUSE Miller builds mileage into the tire for you with a shock-resisting back-bone of cotton fabric that has not had its natural vegetable wax and oil cooked out of it during manufacture. And because of the right kind of rubber compound vulcanized into a perfect unit with the fabric, with the wearing qualities of each retained, and with no point of cleavage in the construction. You cannot get mileage out of a tire that price prohibits the builder putting into it. This mileage question is never settled until it is answered right. With

Miller Tires

on your car you put the mileage and skill questions out of your mind.

EDMUND FRANKLIN MANCHESTER.

News has been received of the death of Edmund Franklin Manchester on April 16 at his home in Grerneville, California. The following is from the Grerneville Times:

"Mr. Manchester came to Grerneville in 1894 and has resided here since that time. Shortly after settling in Grerneville Mr. Manchester became a member of Redwood Lodge, No. 281, I. O. O. F., and continued to be an earnest member to the end of his days.

"He took as deep an interest in the lodge as he did in everything else for the good of the community in which he resided, and was chosen for offices by the members of his lodge at different times, filling the various chairs with credit to himself and honor to the lodge. At the time of his death he was a Past Noble Grand of Redwood Lodge.

"Upon the resignation of Mr. Clyde Ayers from the office of justice of the peace in June, 1914, Mr. Manchester was appointed to fill the office for the unexpired term. He made such a good record during his term that when he sought election last November for the full term the voters showed their confidence by electing him by a handsome majority.

"The funeral took place Monday, April 19, from the family residence and was held under the auspices of Redwood Lodge. Professor David Lockton, Past Noble Grand, assisted by Chaplain D. P. Pengh, conducted the services at the house and at the grave. There was a large attendance of friends and acquaintances. The floral offerings were numerous and beautiful, one a pillow of choice flowers, with the letters 'I. O. O. F.' in the center was the handiwork of Mrs. David Lockton.

"With his passing the community has lost an upright citizen and the family has its fullest sympathy in the loss of a loving and devoted husband, father, brother and grandfather."

STATE OF VERMONT ADDISON COUNTY, SS.

In H. LaFleur and
Josephine E. LaFleur
vs.
Brackett, Shaw & Lunt Co.

IN CHANCERY

ORDER OF PUBLICATION

Whereas, Ira H. LaFleur and Josephine E. LaFleur, his wife, of Middlebury in said County of Addison have brought their bill in Chancery against Brackett, Shaw & Lunt Co., a corporation, now duly organized and existing and having its principal place of business at Somersworth, N. H., in the County of Strafford and State of New Hampshire, to set aside and annul a certain deed.

That Frederick B. Kimball, late of Orwell in said Addison County, deceased, in his lifetime contracted with and purchased of said defendant corporation certain personal property for the purpose of attaching the same to and making it a part of the real estate hereinafter referred to; that by the terms of said contract or agreement it was understood and agreed that the title to said personal property, which consisted of machinery, etc., was to remain with said defendant company, their successors or assigns, until the note given in payment thereof and all renewals thereof together with accrued interest were fully paid in full; and in default of such payment or any part thereof said defendant company, their successors or assigns were to have the right to take and remove said machinery, without process of law, and were to have the right to make entry or entries upon said premises, which should be necessary to effect such removal, and were to retain all sums of money previously paid in compensation for the use and damage of said machinery by said Kimball; that said agreement or contract was never filed for record in the town clerk's office of said town of Orwell, as required by law, but was by said defendant company, on the 17th day of October, 1914, recorded in said town clerk's office; that your petitioners are informed and believe that part of all of the personal property mentioned in said contract or agreement was, in fact, sold and conveyed to said Kimball, as a part of the real estate hereinafter referred to; that the said Frederick B. Kimball died on the 22nd day of January, 1914, and that said Grace M. Kimball was duly appointed and qualified as executrix of his estate and as such executrix sold and conveyed to said defendant corporation, by public auction or private sale, the real estate of which the said Frederick B. Kimball died seized and possessed; that at said auction on the 9th day of April, 1915, said petitioners purchased at public auction and for cash of said executrix as above said "The Maple Tree Property," so called, being a tract of the above-mentioned real estate, located on the northerly side of Main Street in said Orwell; that said petitioners accepted said executrix deed of said premises, which has been duly recorded in the land records of said Orwell, and that they have been to the time of sale in possession and still are in possession of said premises; that at the time of said auction sale it was duly announced and proclaimed by the auctioneer selling said premises, and by the attorney of said executrix, that said premises were free and clear from all encumbrances, except certain taxes assessed on the same and a certain mortgage in said petition mentioned; that said petitioners believed and relied on said representations at the time of their said purchase and that they had at that time no knowledge or notice whatever of said claim or lien of said defendant company; that said supposed or pretended claim or lien impairs and effects the title of said premises and embarrasses and impedes said petitioners in the sale and disposition of the same; and it is further alleged by said petitioners that they have, as they are informed and believe, no remedy at law for the cancellation of said supposed or pretended claim or lien, therefore, said petitioners pray that said defendant company be ordered to cancel and discharge their said supposed or pretended claim or lien from the premises, by filing in the clerk's office of said Orwell, within such time as said Court may deem best, sufficient instrument, duly executed, cancelling and discharging said supposed or pretended claim or lien from record, and upon failure of said defendant corporation to cancel and discharge said supposed or pretended claim or lien within the time ordered, the same be decreed cancelled and discharged of record, and for such other relief in the premises as to said Court shall seem meet and just.

And it appearing that said defendant corporation is located without the State of Vermont so that service may not be had upon a personally, therefore:

It is ordered that said defendant corporation be summoned to appear and answer said Bill in Chancery on or before the 25th day of June, A. D. 1915, by the publication of the substance of said petition together with this order in the Middlebury Register, a public newspaper, published at Middlebury, in said County of Addison, three weeks successively, the first of which publications to be at least twenty days prior to said 25th day of June, A. D. 1915.

Dated at Middlebury in said Addison County this 12th day of May, A. D. 1915.

A large number of sub-freshmen were entertained by the fraternities during Junior week.

The Middlebury track team met the St. Lawrence team in a dual meet Friday afternoon and defeated them by a score of 68½ to 42½. The home team took 9 firsts, 4 seconds, 9 thirds, and tied for first in the pole vault.

The Junior Prom, held Friday evening in the McCullough gymnasium, was attended by about sixty-five couples. The hall was prettily decorated in red and gray, together with small pines well arranged. The march was led by Joel Lamere and Katherine Hobbs. The patrons and patronesses were President and Mrs. Thomas, Prof. and Mrs. McGilton and Prof. and Mrs. Morgan. P. H. Condit was chairman of the committee. Music was furnished by Wilson's orchestra of Rutland.

The second team played the Spaulding High school base ball nine of Barre Friday morning. The game was rather loose and ended in a tie, 10 to 10 being the score. Parker, '18, started in the box for Middlebury and was replaced by Crippen in the second inning. Most of the scoring was due to errors.

For a beginning of the Junior week program the base ball nine met the New Hampshire State College team Thursday afternoon. McLaughlin pitched for the home team and showed excellent form. He allowed only two hits and struck out eight men. Middlebury found the New Hampshire pitcher somewhat easier and piled up eight hits. The final score was 5 to 3 in favor of the home team.

The college team cleaned up their second victory of Junior week by defeating the Norwich University nine by a score of 3 to 0. The game was played Saturday afternoon on Porter Athletic field. Aylward pitched sensational ball for Middlebury, allowing no hits until the sixth inning. He struck out 12 men, allowed but two hits, and did good work at the bat by driving out a three-base hit.

The last event of the Junior week was the Junior's play, "The Magistrate," given in the McCullough Gymnasium Saturday evening. The following Juniors made up the cast: Robinson, Paulsen, Cowles, Constantine, Dickerson, Lamere, Howe, Warner, Bicknell, Parker, Bruce, Keefe, and Misses Drake, Kendrick, Barnum and Bosworth. Miss Throop and the cast deserve much praise for the success of the comedy. Music was furnished by the college orchestra, under the leadership of Mr. Gale.

The St. Anselm's team played the Middlebury nine Wednesday on the latter's home grounds and were defeated 8 to 2. Crippen pitched good ball for the College, while Christian showed up well on first.

The three Inter-Fraternity games scheduled for the first part of the week were postponed until Thursday, Friday and Saturday.

The baseball team started Thursday morning for a few days' trip into northern New York, where they play Clarkson and St. Lawrence. The following men made the trip: Manager Kimball, Coach Murch, Haskins, Aylward, McLaughlin, Christian, Pollard, Dewhurst, Sears, Lamere, Bartlett and Robinson.

At the Senior class meeting Monday it was voted to purchase and plant a number of trees on the campus. The work will be under the direction of McCullough, Cole, and Miss Wright.

The Student Government Association holds its annual election of officers this week. Nominations were made at the meeting held last week.

The three victories of Junior Week were celebrated Saturday evening by a parade led by Fred Nash and George Russell. President Thomas and Professor McGilton made short addresses.
